

Video Release Form

Dear Parent/Guardian:

Symphonic Youth Orchestra is participating in a project requiring a videotaping of a GSPYO rehearsal, which will result in a "Neighborhood Journal" segment to air NJ12 on February 14th. Although the video will feature interviews with the conductor and possibly a GSPYO member, the primary focus is on the ensemble as a whole.

In the course of taping, your child may appear on the videotape. No GSPYO member's full name will appear on any materials that are submitted, and all materials will be kept confidential. The form below will be used to document your permission for this taping and use of videotape.
